A NOTE

FROM THE EDITOR

We are approaching this edition with a fair amount of certainty (not to mention the excitement) that in the next few months we will see changes which will bring our normality back. And then it's business as usual: be it a Spring clear out, home improvement, planning a summer holiday - these are all the things our Advertisers are prepared to give you a hand with.

Government's proposed roadmap of recovery from the lockdown is allowing us to hope that many restrictions will be lifted in the next couple of months, but already many of our hard-working local trades and businesses are offering their services, putting every effort into yours and their safety, so you can book them in and rest assured you are safe to do so.

Come and join the seventh year anniversary of Guy Cliffe's Heritage Walled Garden this Spring! A beautiful result of tremendous efforts put in by local residents and businesses! (see p. 24).

If you are looking to book a holiday this year — see p. 26 for Sabina Clay from Not Just Travel talking about how things are shaping up for the Brits planning to go abroad or staycation in the UK.

As always please remember to mention Stonesthrow Directory when calling, this will help us bring more trusted local businesses to you and furthermore connect the community's supply and demand.

With Spring approaching we are excited to give out bee-friendly flower seeds for you to plant in your garden this April/May, so please get in touch! (see p. 23 for details).

There may not be many local events happening at the moment, but if you run a local group and planning ahead - please get in touch with any news or events you might have and we'll list them for free on our What's On page.

Here are some dates for your calendar:

2nd of April - Good Friday Bank Holiday;
5th of April - Easter Monday Bank Holiday;
23rd of April - St. George's Day;
3rd of May - Early May Bank Holiday;
31st of May - Spring Bank Holiday.

Have a great couple of months and whatever you do - keep yourself and your loved ones safe.

Yours, Stonesthrow Publications

Misty Double Glazing?

Hi, my name is Dave Millidge, let me introduce my company where I repair windows and replace misted up double glazed units.

The area that I cover is Coventry and Warwickshire. You may have seen me around in your street or even have family and friends who I have worked for in the past ten years, with over 6,000 satisfied customers during that period. I started Misty to Clear to give customers the best value repairs in the current climate.

The Misty to Clear website allows total transparency of the customer experience. You can log into the website and view work that I have carried out. You can also leave feedback on social media. Therefore, I give a 5 year guarantee on all new double glazed units fitted by Misty to Clear.

This is a genuine guarantee which does not come as an extra to my price.

I started Misty to Clear mindful that the cost of repairs is probably key to most people's budget when using tradesmen to do work on their behalf in their homes.

I offer a lower cost service to both old and new customers as I operate directly for the customer with no additional hidden charges or insurance costs to you the customer.

So, my company name is Misty to Clear where I can offer steamed up window glass replacement and fix broken handles, hinges, seals, window locks and door locks.

I also change glass in Velux windows too.

Satisfaction guaranteed to be a high standard that carries a 5 year guarantee.

Clearly a great service!

HERITAGE GARDEN MARKS ITS SEVEN-YEAR ANNIVERSARY

On 22nd January, 2014, a team of volunteers arrived to rescue Guy's Cliffe Walled Garden, a Grade II listed walled kitchen garden established by the Greatheed family in the 1770s. The garden had fallen into disrepair, and the plan was to restore it to its original splendour.

It was in 2012 that the restoration of the garden as an historical asset for Warwick (and the wider community) was launched in discussions initiated by Hintons Nursery with a group of supportive local people. This resulted in the establishment of GCWG Trust which now manages the garden.

To date, and after more than 34,000 volunteer hours, the site is a popular visitor attraction, and is developing its potential as a community and educational facility. This Easter also marks the seven-year anniversary of when the garden first opened to the public.

Volunteer Tony Brown recalls the first working day: 'It was a jungle,' said Tony. 'You couldn't tell you were in a walled garden. The walls were completely covered with ivy and apart from the remains of the peach and melon houses, there was nothing left of the original garden.'

Undaunted, the team embarked on getting the site cleared. The generous help of O'Brien Contractors prevented a lot of sweat and bad backs!

'Proper' gardening soon began. Winter crops of broad beans, cabbage, onions and garlic were planted later in autumn. More than 100 raspberry canes were planted in the side borders in November. The first 18 fruit trees arrived and were heeled into a temporary bed, ready for planting into position the following year.

The next task, with financial assistance from The King Henry VIII Endowed Trust was to lay the paths and beds using the 1889 ordnance survey and an 1806 sketch map as guides. In 2015, all six beds were under cultivation.

Each year, the garden is fully planted with vegetables and fruit and there are some spectacular crops, not forgetting the beautiful flower borders with the 'wow' factor.

The garden is grateful to receive continued support and sponsorship from Hintons and its

staff, for example in the donation of materials, erection of poly-tunnels and access to horticultural services and advice.

From its inception the garden has come a long way, but as trustee Barry Meatyard notes: 'A cornerstone of the trust's mission is to develop the garden as a community asset. All of our produce is currently going to Helping Hands and The Night Shelter and this is very rewarding, but we still have a long way to go to exploit the full potential. Education (in its widest sense) is a priority, and this year the focus will be on developing undercover facilities to support workshops and demonstrations. School visits are welcome, as are enquiries from other community groups to use the garden as a venue. We are also pleased to accommodate assistance from local companies as part of their community support programmes.'

'Our team of around 30 volunteers comprises a wide range of interests and skills,' he added, 'and it's not all about gardening: the work is very diverse, from brickwork to "meeting and greeting". The garden, described in a review as 'an amazing example of the power of volunteering', is increasingly popular with visitors of all ages, despite being so tucked away.'

The garden is free to visit, and will reopen on selected days from 10th March – see the website at guyscliffewalledgarden.org.uk for details and online booking. You can find the garden on the Coventry Road, between Leek Wootton and Warwick, with access and parking via Hintons Nursery CV34 5FJ. Also see the website for directions and how to volunteer, or visit the Facebook page 'Guy's Cliffe Walled Garden'.

IS SUMMER BACK ON?

BY SABINA CLAY FROM 'NOT JUST TRAVEL'

After Boris Johnson's latest statement, moods have been lifted at the thought of having a summer where holidays are back on the cards. It has to be mentioned, that it is down to review, but it gives us a glimmer of hope that we can get back to enjoying the world, just in a slightly different way. As it stands currently, international travel could begin to open up in mid May at the earliest. And this has been reflected in the demand for summer holidays that has happened, quite literally, overnight!

STAYCATIONS

Staycations, or holidaying at home, has shot to the top of people's holiday lists in the last year, and people are starting to realise that the UK is a glorious destination for a break. A perfect way to spend time with your loved ones, a staycation is a great way to ease back into the world of travel. And it's come as no surprise, seeing as domestic holidays are set to open earlier than international travel. We can look back at last year when staycations began operating again, and one of our suppliers, Hoseasons, reported a booking every 11 seconds! This does mean that you do need to be quick however as availability is already limited, especially if you're looking to get away during summer. You need to act fast to book what you want, rather than what's left.

TURKEY

Turkey is a country of incredible contrasts, Turkey has always been a firm favourite among UK holidaymakers, thanks to soaring temperatures in mid-summer, as well as it's diverse offerings of activities. From the stunning beaches of Olu Deniz, vibrant markets in Fethiye, and the bustling city of Istanbul, there's always plenty to do and see. Choose to opt-in for an all-inclusive holiday and truly sit back and relax, or perhaps go self-catering and taste the divine delicacies found through the markets and local restaurants.

GREECE

A trip to Greece is full of Mediterranean flare, incredible beaches and centuries-old sights. It's a land steeped in ancient myths, mind-blowing dining and spectacular scenery that tourists flock to every year. It really does tick all the boxes when it comes to a perfect holiday, whether you're a sun worshipper wanting a week in the sun, or an adventure loving seeking new adrenaline highs, Greece has it all.

SPAIN

Spain Mainland, Balearics or Canary Islands? The choice is yours. Think paella, sangria and blissful heat. There's a reason why Spain is one of the most popular hotspots in Europe. From adult-only hotels to family-focused resorts, you really will be spoilt. Spend your days lazing by the beach, racing down slides and the water parks, and your evenings wandering the incredible market stalls.

The most important factors when booking your next holiday is to use a travel consultant/agent. They will give you best advice and navigate you through all the pitfalls and make sure that it's fully protected. You can also stipulate whether you want flexible features such as, freecancellation, amendment fees or be able to move your holiday to another date.
