A NOTE FROM THE EDITOR

Hello and welcome to our December/January edition, your trusted source of local businesses, community news, discounted offers available exclusively to our readers, inspiration for all things home, garden, gifting and more.

As 2021 is coming to an end and we are getting ready to celebrate Christmas and New Year's, it is time to reflect on the year we've had: many events have taken place in 2021 and it was great to see the love and support people have showed to local businesses. A big thank you to all those who have chosen to shop locally and support their locally based tradesmen. We hope to see our community coming together to support each other and those who might be alone this Christmas. Please do remember to check in on your neighbours, your elderly relatives and friends. A kind word, a shared cup of tea and a mince pie, a help to do their food shop, a Christmas card - it all goes a long way and what better time to be kind and charitable than Christmas!

As always, we have all your useful listings here: Local Restaurants and Takeaways, Telephone Numbers, Horoscopes and Articles etc.

More and more local groups are resuming their meetings. If yours is one of them and you would like a free listing on the What's On page - please get in touch with Ksenia by dropping an email to

info@stonestrowpublications.co.uk.

Here are some dates for your calendar:

- 24th of December - Christmas Eve
- 25th of December - Christmas Day
- 26th of December - Boxing Day (Bank Holiday)
- 27th of December - Substitute Bank Holiday for Christmas Day
- 28th of December - Substitute Bank Holiday for Boxing Day
- 31st of December - New Year's Eve
- 1st of January - New Year's Day (Bank Holiday)
- 3rd of January - New Year's Day observed

Have a great couple of months and whatever you do - keep yourself and your loved ones safe.

Yours, Stonestrow Publications

Misty Double Glazing?

Hi, my name is Dave Millidge, let me introduce my company where I repair windows and replace misted up double glazed units.

The area that I cover is Coventry and Warwickshire. You may have seen me around in your street or even have family and friends who I have worked for in the past ten years, with over 6,000 satisfied customers during that period. I started Misty to Clear to give customers the best value repairs in the current climate.

The Misty to Clear website allows total transparency of the customer experience. You can log into the website and view work that I have carried out. You can also leave feedback on social media. Therefore, I give a 5 year guarantee on all new double glazed units fitted by Misty to Clear.

This is a genuine guarantee which does not come as an extra to my price.

I started Misty to Clear mindful that the cost of repairs is probably key to most people's budget when using tradesmen to do work on their behalf in their homes.

I offer a lower cost service to both old and new customers as I operate directly for the customer with no additional hidden charges or insurance costs to you the customer.

So, my company name is Misty to Clear where I can offer steamed up window glass replacement and fix broken handles, hinges, seals, window locks and door locks.

I also change glass in Velux windows too.

Satisfaction guaranteed to be a high standard that carries a 5 year guarantee.

Clearly a great service!

HEALTHY HANDS THIS CHRISTMAS

PUT YOUR HANDS IN OUR HANDS

The Midland Hand Clinic is grateful to its patients for placing their trust in us to look after their hands and for taking the time to share their positive feedback with us...

"My outcome was excellent. So much so, that I sought out Mr Shyamalan when I had problems with my other hand. For any hand or wrist problem and for an expert opinion, I'd certainly trust The Midland Hand Clinic".

"Within 48 hours I had regained the use and feeling in my hand and the pain had gone. Mr Shyamalan and his team were great and I was reassured by all the measures in place to keep me safe. I am thrilled to be able to be riding my motorcycle again."

"My thumb is already back to normal and you can't even see the scars from either operation. I cannot thank Mr Shyamalan enough for what he has done for me, osteoarthritis is not a pleasant thing to have and it's nice to know there are Specialists out there such as Mr. Shyamalan that try their best to make life more bearable for sufferers of this awful condition."

The Team at The Midland Hand Clinic would like to wish everyone a happy and healthy festive season.

If you detect any signs or symptoms of a hand condition, don't delay, let the Midland Hand Clinic help you to reach the correct diagnosis and receive the right treatment!

I've been very impressed by this company from the start. Quick to respond, reliable throughout and my roof work has been carried out to a high standard by skilled and experienced people who were also, as a bonus, pleasant to have around.

Graham Jenkins

Have had flat roof & pitched roof replaced by S&S. All work to an extremely high standard carried out by a great team of polite and friendly committed experts. Advised of all procedures and methods along the way. Simply the best and I highly recommend them.

BALSALL COMMON LIONS

DECEMBER / JANUARY

Santa's Sleigh is coming to Balsall Common

Date: 15th - 23rd of December

Santa will be visiting Balsall Common and some of the surrounding area over a period of nine nights between Wednesday 15th and Thursday 23rd December.

Check out the details of his visit on Facebook or their website (www.balsallcommonlions.org).

Santa and the elves are taking extra steps to make sure that their visit is as safe as it possibly can be, by remaining socially distant, with a slow, steady drive, and a few stops to stop and wave to the children.

Like last year, the elves will not be knocking on doors with collection tins, but you can still donate online to support Santa at Christmas by using the link, or by using the enclosed QR code. www.cafdonate.cafonline.org/18175

Supporting Solihull Young Carers

Balsall Common Lions are going to be busy over the next few weeks and months.

Supporting Solihull Young Carers Gift Collection
In the run-up to Christmas, they are supporting Solihull Young Carers again, by organising a Gift Collection Point in the Co-op, Balsall Common

Their aim is to give each child who attends the party (ages 5-15) a goody bag to take away - a Selection Box; a nice new reading book; a craft item, eg colouring book, and pens, a bead kit, paints and brushes, hobby kits etc.

Winter / New Year Foodbank Collection

Date: 16th of January

No peace for the Elves, I'm afraid. Lions will be 'borrowing' Santa's Sleigh on the weekend of Saturday 16 January and visiting virtually every home in Balsall Common for the Winter Foodbank Collection.

Last year, the response from the residents was absolutely amazing! If some of the residents are anything like me, by New Year and the excesses of the Festive Season, there seems to be plenty left over to give to those in need.

Thanks to your support, we were able to support hundreds of families – some of the most vulnerable people in our society, supplying hundreds of carrier bags full of food and essential supplies to four local foodbank charities - Bethany Foodbank, Around Again Foodbank, Carriers of Hope Charity, plus Trussell Trust.

Hopefully, we will see you on our rounds either with the sleigh ... Santa before Christmas, and the Winter Foodbank Collection in January. Wishing you all a very Merry Christmas and a Happy New Year, from
Balsall Common Lions

SOLIHULL TREE WARDENS

CELEBRATING 20 YEARS

Earlier this year an Elm tree was planted in Breuton Park Solihull to celebrate 30 years of the Tree Warden Scheme and 20 years of the forming of the Solihull Tree Warden Group.

Solihull Tree Wardens are a group of like-minded volunteers, who are local people with the aim of protecting Solihull's trees and hedgerows for their values within the community, environment and Solihull's Heritage.

The group are part of The National Tree Warden Scheme; a national initiative that was established in 1990 by the Tree Council, to encourage people to play an active role in conserving and enhancing their local trees, hedges and woodlands.

Tree Wardens are not expected to be experts, but our training programme allows us to support the Council's tree officers with sensible advice. A genuine love & passion for trees and the environment is needed.

Events and projects are varied they have included tree planting, tree and habitat

surveys, tree walks and woodland management.

Solihull Tree Wardens have been involved in organising local groups with their own tree projects whilst encouraging community Tree appreciation.

Future plans include helping to increase woodlands and hedgerows throughout Solihull, and also to improve aftercare for the trees that have been planted in recent years.

With new housing developments throughout Solihull, we need more volunteers to be "eyes and ears" monitoring the condition of our local trees.

If you would like to find out more about the Tree Wardens please contact:

solihulltreewardens@yahoo.co.uk

The Wardens can be found on Facebook.
