# A NOTE FROM THE EDITOR

Hello and welcome to our December/January edition, your trusted source of local businesses, community news, discounted offers available exclusively to our readers, inspiration for all things home, garden, gifting and more.

As 2021 is coming to an end and we are getting ready to celebrate Christmas and New Year's, it is time to reflect on the year we've had: many events have taken place in 2021 and it was great to see the love and support people have showed to local businesses. A big thank you to all those who have chosen to shop locally and support their locally based tradesmen. We hope to see our community coming together to support each other and those who might be alone this Christmas. Please do remember to check in on your neighbours, your elderly relatives and friends. A kind word, a shared cup of tea and a mince pie, a help to do their food shop, a Christmas card - it all goes a long way and what better time to be kind and charitable than Christmas!

As always, we have all your useful listings here: Local Restaurants and Takeaways, Telephone Numbers, Horoscopes and Articles etc.

More and more local groups are resuming their meetings. If yours is one of them and you would like a free listing on the What's On page - please get in touch with Ksenia by dropping an email to

[info@stonestrowpublications.co.uk](mailto:info@stonestrowpublications.co.uk).

# Misty Double Glazing?

Hi, my name is Dave Millidge, let me introduce my company where I repair windows and replace misted up double glazed units.

The area that I cover is Coventry and Warwickshire. You may have seen me around in your street or even have family and friends who I have worked for in the past ten years, with over 6,000 satisfied customers during that period. I started Misty to Clear to give customers the best value repairs in the current climate.

The Misty to Clear website allows total transparency of the customer experience. You can log into the website and view work that I have carried out. You can also leave feedback on social media. Therefore, I give a 5 year guarantee on all new double glazed units fitted by Misty to Clear.

This is a genuine guarantee which does not come as an extra to my price.

I started Misty to Clear mindful that the cost of repairs is probably key to most people's budget when using tradesmen to do work on their behalf in their homes.

I offer a lower cost service to both old and new customers as I operate directly for the customer with no additional hidden charges or insurance costs to you the customer.

So, my company name is Misty to Clear where I can offer steamed up window glass replacement and fix broken handles, hinges, seals, window locks and door locks.

I also change glass in Velux windows too.

**Satisfaction guaranteed to be a high standard that carries a 5 year guarantee.**

**Clearly a great service!**

# HOW TO ENJOY FOOD, DRINK & SOCIALIZING AT CHRISTMAS

## WITHOUT HARMING YOUR HEALTH AND WAISTLINE

The holidays are the season of good cheer, and many of us are eating out or indulging at home more than we might do at other times. The good news is that you can still eat, drink and be merry without overdoing it.

### DON'T OVERDO IT

Christmas is a time to relax and enjoy yourself, but try to keep your health goals in mind and why looking after your heart is important to you. Many of us eat out more than usual over the Christmas period. And when we eat out, we often eat more than we would at home. We know that sticking to just one course once you see what everyone else is having is hard, so decide before you begin if you are going to have a starter or a dessert. If you don't want to feel too stuffed, consider a starter (perhaps with a side order of vegetables), instead of a main course, or ask for a smaller portion.

Whether you're eating out or at home, having a coffee or cup of tea while others have a pudding is a good way to round off a meal, or you could share a pudding with others.

### BE DEMANDING (POLITELY) IN RESTAURANTS

Don't be afraid to ask the restaurant to adapt dishes. Yes, it's a busy time for hospitality staff, and we all want to be nice to them, but it's not usually a problem to replace chips with a jacket potato, salad or vegetables. You can also ask for no extra cheese, butter, mayonnaise, dressings or oil, and to put sauces in a dish on the side.

### CHOOSE HEALTHIER OPTIONS

If you're eating at home, try to plan what you eat with your health in mind. Choose lean cuts of meat, and remove any visible fat, and try to limit processed meat in favour of fish, chicken, turkey and plant-based options. If you're eating out, try to choose the healthiest menu options to make the meal fit into your normal diet, rather than just going for your favourites. Steer clear of deep fried, pastry-based dishes or those with creamy or cheesy sauces. If you're having dessert, choose fruit-based desserts.

### TUCK IN TO TURKEY - BUT BEWARE OF ALL THE EXTRAS!

A traditional Christmas dinner isn't the worst choice when it comes to your health. Turkey is a lean meat (as long as you avoid basting it in too much butter) and plenty of vegetables with your meal is good. Try to fill up with vegetables like sprouts, carrots and peas (again, as long as they're not coated in butter) and go easy on the roast potatoes and parsnips, which come with extra fat

and therefore calories. Sausages wrapped in bacon, stuffing and gravy are all usually high in salt. Too much salt is bad for your blood pressure and can make you thirstier, leading you to drink more alcoholic or sugary drinks than you had planned.

### CUT BACK ON CHRISTMAS NIBBLES

Nibbles are seemingly everywhere at Christmas. It's fine to indulge in the odd mince pie, shortbread biscuit, festive tippie or a chocolate sweet, but sticking to a regular pattern of meals and snacks will help to make sure you aren't hungry between meals and help maintain your willpower. And remember that savoury snacks like dry roasted nuts and crisps are high in fat too, and are also often high in salt.

### BE DRINK AWARE

It's important to stay within the guidelines of 14 units a week for men and women, particularly as many of us drink more than usual in December. If you're drinking at home, it's easy to lose track of how much you're drinking, so try to note this. Check the labels on bottles to see how many units they contain. If you drink spirits, remember a standard measure is 25ml (slightly less than one and a half tablespoons) - if you don't have a spirit measure, you could use a measuring spoon or jug to measure it out. As well as the impact on your health, don't forget the calories that drinks can add, which can have an effect on your waistline. Remember that soft drinks can be high in calories too, so if you can, choose water, and alternate with any alcoholic drinks you are having.

### SOCIALISE IN OTHER WAYS

We all enjoy sharing a meal with family or friends, but have you considered doing something different? That way you are more likely to avoid unhealthy food options, and you'll save money, too. You could go for a winter walk together, perhaps with a flask of tea or coffee.

# THE FRIENDSHIP PROJECT

## GOES FISHING

Bank Life fishing is a family run company based in Cambridgeshire whose aim is to get as many people and families out on the bank enjoying the great outdoors and together creating lasting memories. They kindly donated fishing experiences to Warwickshire based children's charity, the Friendship Project which some of the Younger Friends and their volunteer Older Friends enjoyed earlier this year.

In order to provide these fishing experiences, Bank Life created a charity pot where they run competitions and use their profits to arrange and fund events to benefit young people and give them the opportunity to have a go at fishing and to get away from day-to-day stresses and struggles.

The Friendship Project for Children has attended 4 different fishing events, where the children have been paired up with an expert angler to help them with all the fishing aspects, from baiting the line to landing the fish.

The transformation in the children (and the adults) has been amazing. Children who were reluctant at the beginning of the day were skipping lunch and dragging their experts back to do more fishing! The giggles and shrieks of enjoyment were heard around the lake as the fish were caught in huge numbers and hauled into landing nets for photo opportunities.

The Angling Trust, 'Get Fishing Awards' saw 17 children achieve their bronze award 12 silver and 4 gold of course none of this would have been possible without the quality bait and tackle supplied for the day by Tackle Shack Nuneaton, Carp Particles UK and Stevenage Bait and Tackle Limited.

Angela Truman, Marketing Trustee for the Friendship Project commented: 'So many people donated to help these fantastic days to happen at Oak Farm and Burton Farm Fisheries in Rugby. The venues and hospitality were truly fantastic and we are so grateful to everyone who made it possible.'

'The mental health and wellbeing of young people is so important, and getting out in the fresh air with supportive adults is such a positive thing for them to experience.'

Post Covid lockdown's there has been a lot of interest in mental health and wellbeing, especially with our young people. The Friendship Project for Children has been actively supporting children through the whole of the pandemic and were delighted when the Older Friends were able to resume face-to-face visits with their Younger Friends.

If you would like to get involved or learn more about the Friendship Project for Children visit [www.friendshipproject.co.uk](http://www.friendshipproject.co.uk) or follow them on Twitter, Instagram or Facebook @friendshipProj

### ABOUT THE FRIENDSHIP PROJECT

The Friendship Project for Children is a Warwickshire based charity supporting children aged between 6 and 16 across the county, who are in need of some extra support.

Founded in 1986, the charity matches 'Younger Friends' with 'Older Friends' who provide the children with regular fun, undivided attention and ongoing friendship for a few hours each week.

Often, the activities which they enjoy together are things the children wouldn't otherwise get to experience. It can be as simple as a walk in the park or baking cakes together, or more of a treat like a trip to the cinema, swimming or wall climbing.

This simple concept has seen the children's self-esteem grow and even improved their attainment and behaviour at school and in the home.

To date the charity has supported around 1500 children, who are all referred to the Friendship Project by social services.
