# A NOTE FROM THE EDITOR

Hello and welcome to our April/May edition of the Stonesthrow Directory. Easter is just around the corner (as are the school holidays!), although it feels like only yesterday the children went back to school. There are of course plenty of things happening in the next few months, aside from an excuse to eat lots of chocolate!

Commonwealth Games 2022 are starting on Thursday 28th of July and there will be drop-in session days for you to find out what's happening locally (7th of April - Royal Leamington Spa (location TBC) - 3 - 7 pm and 1st May - Warwick Food Festival - 10 am - 5pm). Not to forget, Queen's Platinum Jubilee celebrations are taking place across the country start of June.

Recently we've been reading about how our shopping habits have been changing, especially in this post-lockdown era. According to current predictions, we can look forward to more hybrid retail/digital shopping experiences, more checkout-free stores, and rapid growth in the reuse/recycling sector with the second-hand clothing market expected to grow faster than fast fashion. It looks like 2022 is set to be an interesting year in more ways than one!

When you are shopping around for products or services, we would still encourage you to stay local in your search for the best quality. Here are just a few reasons why: it's convenient, it's better for the environment by helping reduce your carbon footprint, you help support local businesses, you invest in your community, you help create demand for local jobs, food is more likely to be sustainably sourced, etc.

Here are some dates for your calendar:

15<sup>th</sup> of April - Good Friday (Bank Holiday); 18<sup>th</sup> of April - Easter Monday (Bank Holiday); 23<sup>rd</sup> of April - St. George's Day; 2<sup>nd</sup> of May - Early May Bank Holiday; 2<sup>nd</sup> of June - Spring Bank Holiday; 3<sup>rd</sup> of June - Queen's Jubilee (Bank Holiday).

Have a great couple of months and whatever you do - keep yourself and your loved ones safe.

Yours, Stonesthrow Publications

# Misty Double Glazing?

Hi, my name is Dave Millidge, let me introduce my company where I repair windows and replace misted up double glazed units.

The area that I cover is Coventry and Warwickshire. You may have seen me around in your street or even have family and friends who I have worked for in the past ten years, with over 6,000 satisfied customers during that period. I started Misty to Clear to give customers the best value repairs in the current climate.

The Misty to Clear website allows total transparency of the customer experience. You can log into the website and view work that I have carried out. You can also leave feedback on social media. Therefore, I give a 5 year guarantee on all new double glazed units fitted by Misty to Clear.

This is a genuine guarantee which does not come as an extra to my price.

I started Misty to Clear mindful that the cost of repairs is probably key to most people's budget when using tradesmen to do work on their behalf in their homes.

I offer a lower cost service to both old and new customers as I operate directly for the customer with no additional hidden charges or insurance costs to you the customer.

So, my company name is Misty to Clear where I can offer steamed up window glass replacement and fix broken handles, hinges, seals, window locks and door locks.

I also change glass in Velux windows too.

# HOW TO SAVE ON ENERGY COSTS IN 2022

It cannot have escaped your attention that our energy bills are set to rise by over 50% this year. A worldwide squeeze on energy supplies has pushed the price of gas up to unprecedented levels. The UK is particularly hard-hit because about 85% of our homes have gas central heating, and gas generates a third of the country's electricity.

In the past, we have always been encouraged to shop around when energy bills rise, but that option is no longer available due to the collapse of so many of the smaller, more competitively priced energy companies. This means we're having to look for more creative ways to save on our fuel bills, for example by making improvements to the energy efficiency of our homes. Even the smallest of changes – when done consistently - could help offset rising prices and keep your energy bills at more manageable levels.

Here are our top six tips for saving energy at home, courtesy of the Energy Saving Trust. Adopt them all and you could save around £200 to £300 per year on your fuel bills!

## 1. TURN OFF STANDBY APPLIANCES AT THE PLUG

estimated average saving of £30 a year. Use plug sockets that can be turned on and off via our phone, to make sure you switch unused appliances off. Or you could use cheaper timer plugs to schedule turning appliances on and off.

## 2. INSTALL A SMART THERMOSTAT

estimated average saving of £75 a year. Smart thermostats can make your heating more efficient by only warming the rooms you are using. They work by learning how long it takes to heat your home, so they can have it at the right temperature at exactly the right time. They can also be controlled by your phone, which means you won't have to come back to a cold home.

## 3. TURN DOWN YOUR THERMOSTAT

estimated average saving of £80 per year by turning your heating down by just one degree.

## 4. BUY ENERGY EFFICIENT APPLIANCES

estimated average saving of between £7 to £65 a year. If you need to renew an appliance, choose one with a high energy-efficiency rating. An A+++ washing machine will typically use £65 less energy than an A+ one over an 11-year product lifespan. A modern, efficient dishwasher will typically cost around £7 less a year to run compared to an older model.

## 5. WASH CLOTHES AT A LOWER TEMPERATURE

estimated average saving of £5 a year just by washing at 30 degrees rather than 40 degrees. (Bonus tip: most household detergent brands produce a perfectly good wash at 30 degrees.)

## 6. INVEST IN SOME DRAFT PROOFING

estimated average saving £35 a year. Use draught excluders or draught-proofing kits to seal cracks in skirting boards and floors. If you don't have double glazing then you can buy special plastic lining for your windows.

Take a look at the Energy Saving Trust website for more helpful information for saving money on your home, travel and business fuel bills:

# QUEENS PLATINUM JUBILEE: IN CELEBRATION OF A REMARKABLE LADY

On 6th February 2022, Her Majesty Queen Elizabeth II became the first British Monarch to celebrate a Platinum Jubilee, marking 70 years since her accession to the throne. This astonishing achievement makes her the longest reigning living monarch anywhere in the world. According to the Guinness Book of Records, the title was previously held by King Bhumibol Adulyadej of Thailand until his death in 2016. His rule of 70 years 126 days was the second longest reign of a sovereign state in history. The longest-reigning monarch ever was King Louis XIV, who presided over France for 72 years 110 days (14 May 1643- 1 September 1715).

There is a year-long schedule of events to mark the occasion, and we're all being encouraged to play our part even in a small way. For example there's The Queen's Green Canopy project where communities are being helped to "plant a tree for the Jubilee" ([www.queensgreencanopy.org](http://www.queensgreencanopy.org)). Plus we can buy souvenirs through the official Royal Collection shop ([www.royalcollectionshop.co.uk](http://www.royalcollectionshop.co.uk)).

But all eyes will be on the first weekend of June when the Platinum Jubilee celebrations begin in earnest, with the main events set to take place between Thursday 2nd and Sunday 5th June. We have an additional one-off bank holiday in England on 3rd June with the Spring Bank Holiday (which usually falls in late May) having been moved to 2nd June, creating a four-day weekend.

## HERE'S THE ORDER OF EVENTS FOR THE PLATINUM JUBILEE WEEKEND:

**THURSDAY 2ND JUNE - TROOPING THE COLOUR** from Buckingham Palace to Horse Guards Parade, ending with an RAF fly-past, watched by the Queen from the balcony of Buckingham Palace. Members of the public can apply for tickets via the website [bp.army.mod.uk/queensbirthdayparade/](http://bp.army.mod.uk/queensbirthdayparade/)

Thursday will also see 1,500 beacons being lit throughout the United Kingdom, Channel Islands, Isle of Man and UK Overseas

Territories, plus (for the first time) in each of the capital cities of the Commonwealth countries.

**FRIDAY 3RD JUNE - SERVICE OF THANKSGIVING** at St Paul's Cathedral.

**SATURDAY 4TH JUNE - PLATINUM PARTY AT THE PALACE**, a special live concert from Buckingham Palace that will bring together some of the world's biggest entertainment stars. Members of the public will be invited to apply for tickets, for more information go to [www.royal.uk/platinumjubilee-central-weekend](http://www.royal.uk/platinumjubilee-central-weekend).

**SUNDAY 5TH JUNE - THE BIG JUBILEE LUNCH** where local communities are encouraged to come together, celebrate their connections and get to know each other a little bit better.

Meanwhile in London the Platinum Jubilee Pageant will involve performers, dancers, musicians, military personnel, key workers and volunteers. Part of this event includes the River of Hope, which will comprise of two hundred silk flags which will process down The Mall, appearing like a moving river. Primary and secondary school children are invited to create a picture of their hopes and aspirations for the planet over the next 70 years. You can register your school's interest to take part via [riverofhope.co.uk](http://riverofhope.co.uk). If you're planning your own local celebrations to mark this momentous event, then the Royal Family has created a wealth of free resources to help via [www.royal.uk/resourcesplatinum-jubilee](http://www.royal.uk/resourcesplatinum-jubilee)

# A SUMMER TO REMEMBER

## THE BIRMINGHAM 2022 FESTIVAL OF CREATIVITY COMES TO WARWICKSHIRE

The Birmingham 2022 Festival has announced its six-month-long cultural programme taking place across the West Midlands. It will be the biggest celebration of creativity ever seen in the region and one of the largest ever cultural programmes to surround the Commonwealth Games. Better still, there will be an event taking place in Warwickshire this June!

There will be over 200 events including a spectacular open-air show, a brand-new Birmingham inspired album, an immersive 3D experience on public transport, photography exhibitions across billboards, a city centre forest of magical proportions, a mass tap-dancing extravaganza and much, much more.

Events will be running from March to September and the festival will put Birmingham and the West Midlands' creativity, ambition, heritage and diversity on a global stage. Some of the highlights include:

**On Record** – A brand-new album featuring eleven original songs about Birmingham offers a sonic love letter to the city. Featuring new songs by Birmingham artists - including SANITY, UB40 and Dapz on the Map - On Record has been created and produced by Jez Collins of Birmingham Music Archive and Grammy-nominated producer Simon Duggal. The multi-genre work will be available via a limited vinyl release and across all streaming platforms from Saturday 18 June. A new podcast and live event programme, In Conversation, will complement the album.

**Time Travel Tram** - Passengers on board a West Midlands Metro tram between Wolverhampton and Birmingham will be taken back in time while experiencing the world's first immersive digital art powered by 5G. Time Travel Tram, created by immersive storytellers Surfing Light Beams and Crossover Labs, launches living history into the 21st century by transforming the view from the tram windows into a 3D visual extravaganza of people and places from the region's past. Running throughout the duration of the festival, from

21 March – 30 September, Time Travel Tram will be accompanied by a contemporary soundtrack created by some of the West Midlands' most exciting musicians and performers.

**People, Place and Sport** – Artist Jaskirt Boora explores the role of gender and ethnicity in sport through a series of photographic portraits and recorded conversations. People, Place and Sport - a collaboration with West Bromwich based community arts organisation Multistory - is a celebration of local communities and grassroots sport in the West Midlands and will take place from April to August in leisure centres across the region, as well as outdoors at Sandwell Valley Country Park.

Warwickshire will be playing host Talking Birds' Come Bowl With Me, which is a funny and interactive outdoor performance by acclaimed Coventry theatre company Talking Birds, celebrating the popular and accessible sport of Lawn Bowls.

Audiences are invited to join Lorna Bowles, Dwaine Hardball and Roger Rinkwell as they coach you through the gentle joys and fierce competition of this much-loved game. Tensions may rise in the Strictly Come Bowling arena as players compete for the Glitter Bowl Trophy. After a round of Crazy Bowls, the crowd will be amazed by the antics of Cirque du Boules and their terrifying Great Bowls of Fire.

Come Bowl with Me will be in Leamington Spa's Pump Room Gardens from 16 to 17 July 2022. In addition to this fantastic event, there will also be a range of other activities and events taking place across Warwick District as part of the Birmingham 2022 festival and more details can be found here: [birmingham2022.com/festival](http://birmingham2022.com/festival)
