A NOTE FROM THE EDITOR

Hello and welcome to our June/July edition of the Stonesthrow Directory. June 2022 is a big month for the UK, since we finally get to celebrate Her Majesty the Queen's Platinum Jubilee over an extended Bank Holiday weekend. There are plenty of official events planned for our region as well as countless street and garden parties to attend. Let's hope the weather holds up!

Then July follows with another much anticipated event, the Commonwealth Games. See p.26-27 for the schedule of events taking place in and around our beloved villages. Come along to the drop-in centres for more information on how you can take part. This is going to be one unforgettable Summer!

Not forgetting of course Father's Day on 19th June, a time to let that very important person in your life know how much he means to you. Many of our local businesses, attractions and restaurants have special Father's Day offers so take a look through this month's adverts and please try to support local businesses wherever possible.

There many other events and meetings taking place locally and if you'd like to take part - see our 'What's On' section (p. 24-25).

We have something exciting for our readers this month: give our Social Media pages a 'Like' and a 'Follow' for a chance to win £20 Gift Voucher to spend at Oakes Farm Shop (see p. 31).

We have articles written exclusively for us by local councils and residents (see p. 22, 26) and many great offers and discounts offered by our Advertisers. Please remember to mention Stonesthrow Directories when calling, so we can continue to bring you even more exclusive offers!

Here are some dates for your calendar:

19th of June - Father's Day;
21st of June - Summer Solstice;
1st of August - Summer Bank Holiday.
Have a great couple of months and whatever you do - keep yourself and your loved ones safe.

Yours, Stonesthrow Publications

After

Misty Double Glazing?

Hi, my name is Dave Millidge, let me introduce my company where I repair windows and replace misted up double glazed units.

The area that I cover is Coventry and Warwickshire. You may have seen me around in your street or even have family and friends who I have worked for in the past ten years, with over 6,000 satisfied customers during that period. I started Misty to Clear to give customers the best value repairs in the current climate.

The Misty to Clear website allows total transparency of the customer experience. You can log into the website and view work that I have carried out. You can also leave feedback on social media. Therefore, I give a 5 year guarantee on all new double glazed units fitted by Misty to Clear.

This is a genuine guarantee which does not come as an extra to my price.

I started Misty to Clear mindful that the cost of repairs is probably key to most people's budget when using tradesmen to do work on their behalf in their homes.

I offer a lower cost service to both old and new customers as I operate directly for the customer with no additional hidden charges or insurance costs to you the customer.

So, my company name is Misty to Clear where I can offer steamed up window glass replacement and fix broken handles, hinges, seals, window locks and door locks.

I also change glass in Velux windows too.

Satisfaction guaranteed to be a high standard that carries a 5 year guarantee.

Clearly a great service!

DOODY CALLS:

WHY PICKING UP AFTER YOUR DOG MATTERS

Having a dog, we, the 'pet parents', know the immediate joys we get from sharing our lives with such a lovable companion. But as dog owners, we also have a legal duty to clean up after them every time they potty in a public place.

As a new pet parent, when walking around it's hard not to notice piles of poop, impolitely left behind for others to see or worse, to step in to.

Similar to human waste, dog waste contains harmful bacteria and potential parasites. Because dogs eat nutrient-rich pet food to sustain their health, this pet food leads to excess nutrients such as nitrogen and phosphorus in their waste. Dog waste contains faecal coliform bacteria that can spread diseases, such as Giardia and Salmonella. It can transmit various worms which can affect us humans, especially children. Roundworms, for example, are common in dogs and can remain alive in the soil for years. Other dogs can become infected by sniffing, licking, or ingesting the stool or anything that the stool has touched, even in microscopic amounts.

You might be reading this article and thinking: But why should I pick up after my dog and people riding horses don't pick up after them? A common misconception is that dog poop is akin to wildlife waste in the natural environment, but it's not.

DID YOU KNOW that horse waste is between 70% and 80% water, which is quickly absorbed into the ground? The solids in horse poop are mainly grass and other vegetation, which break down in about six days. Plus, horses do not carry viruses and other pathogens that pose risks to humans.

WILL MY DOG GET ILL IF HE/SHE INGESTS HORSE MANURE?

Horse and cow manure is full of enzymes and partially digested protein, which can be beneficial for a dog's digestive system.

WHAT YOU CAN 'DOO'

Picking up after your dog is easy if you're prepared. Always carry poop bags with you whenever you are out and

about with your dog. Remember to always take more than you think you will need.

TIE THE BAG (CLOSED) AND TOSS IT IN THE TRASH

Do not set your bag of dog poop down and leave it on the ground for someone else to find. It's important to dispose of the waste properly, into the bins typically dotted around. Wastes from dogs should not be placed in a compost pile because the parasites, bacteria, and viruses are not readily destroyed during the composting process and can be passed on to humans.

PICK IT UP

Remember that cleaning up after your dog is not only required by most laws, but it is also your civic duty.

REMEMBER

Our mission is to make our communities safer for everyone, especially dogs and children. Dog poop doesn't magically disappear and the 'poo fairy' does not exist. As World Environment Day (5th of June) draws nearer, nudge yourself into a new habit of picking up after your pooch.

JUST THINK

If your dog potties in the house or back garden, do you leave it there or pick it up? Respect the streets as you respect your own house.

QUEEN'S BATON RELAY

26 JULY 2022

Tuesday 26th July 2022 promises to be a very special day for our area - it is the day that the Queen's Baton Relay passes through Solihull Borough on its way to the Commonwealth Games Opening Ceremony. The Baton started its journey in October 2021 in Cyprus and will have travelled around the globe, visiting every country in the Commonwealth, before arriving in the UK at the start of July. Mindful of climate change, the route has been designed to cover about half the distance of the previous Baton Relay and thereby reducing the carbon footprint.

The Queen's Baton will start the day in Castle Bromwich and will spend all day in Solihull. The Baton will pass through virtually every part of our Borough including our local area. Exact timings will be confirmed nearer the date (check out Parish Council noticeboards and local Social Media pages), but expect the Baton to pass through Hampton in Arden around lunchtime, before moving on through Meriden, Berkswell and Balsall Common in the afternoon. Community events will be held at Hampton Sports & Tennis Club, Meriden Village Green and Lavender Hall Park in Balsall Common - a great way to soak up the atmosphere and enjoy a unique occasion.

Batonbearers have been chosen from the local area and reflect people who have unique, inspiring stories and have made a positive impact in their community. Their stories will be celebrated as the baton passes along the route.

Our villages are known for their community spirit and this event, soon after the Queen's Platinum Jubilee, will be another

opportunity for residents to come together in celebration. Part of my role in the Council involves championing communities across the Borough so I'm delighted that this event will give us another reason to be proud of where we live. I hope you will be able to watch this spectacle and cheer the Queen's Baton on as it makes its way to Birmingham: let's hope the sun shines!
